### **General Interests**

I am passionate about performing and teaching all kinds of music. I take pride in every performances and stages and consider myself to be an uniquely exceptional performing artist. I have lived and worked in Australia, South Korea, England and Switzerland. I love performing, teaching and enjoying passing on my 30 plus years of experience and knowledge acquired internationally and on my own. I plan to create festivals connected with music, nature and culture. When I am not performing or teaching, I love travelling, taking walks in beautiful nature, nourishing food with wine, writing and creating my own perfume.
